FUTURE DENTAL ASSISTANT SPOTLIGHT

Celebrating dedication, growth, and hands on experience.

Meet Arlin! After taking time away from school, she chose to continue pursuing her passion for dental assisting here at HPDAS. Her positivity, dedication, and willingness to learn quickly made a lasting impression on both classmates and instructors.

With a matcha close by and a great sense of humor, Arlin successfully completed our 11-week RDA program and externship with our office, finishing her final day with us in the middle of May. We are so proud of all she has accomplished and cannot wait to see what's next for her.
